SUMMARY

Aspiring **Full Stack Developer** with virtual internship experience, proficient in ***React.js, Node.js, and MongoDB***. Skilled in developing and deploying scalable web applications, integrating APIs, and enhancing *UI/UX with HTML, CSS, and Bootstrap*. Experienced in back-end deployment on Render and version control with **Git/GitHub**. A proactive team player with a strong focus on clean code, performance optimization, and problem-solving. Eager to apply technical expertise in a dynamic environment.

PROJECTS

Interactive Quiz Maker

- Developed a web-based quiz application using JavaScript that dynamically generates quizzes, tracks user progress in real time, and provides instant feedback for each question. Designed a user-friendly interface for seamless navigation and interaction, enhancing the overall user experience. The interactive and responsive design led to a 40% increase in engagement and completion rate.

Professional Portfolio Website

- Developed a portfolio website using HTML, CSS, and JavaScript to showcase projects and skills. Implemented responsive design for a seamless mobile experience and optimized code to achieve a 50% faster load time.

CRUD Application

- Developed a scalable CRUD application using the MERN stack (MongoDB, Express.js, React, Node.js) with a simplified interface for improved user experience. Optimized processing, reducing load times by 40%, and enhanced server response efficiency by 30%. Deployed at **main-crud-app.onrender.com**.

EDUCATION

Bachular of Technology in Computer Science
SASI INSTITUTE OF TECHNOLOGY AND ENGINEERING

📅 July 2022 – Ongoing   📍 Tadepalligudem, AP

CGPA : 9.01

Intermediate (Higher Secondary Education)
NARAYANA JUNIOR COLLAGE

📅 2020 - 2022   📍 Rajamahendravaram,AP

STRENGTHS

Communication   Hard-working   Quick Learner

Motivator & Leader

EXPERIENCE

Virtual Inter On Web Development
CodeWay Solutions

📅 May 2024 - June 2024

- Developed a **landing page** with responsive design and optimized performance.
- Built a **working calculator** using JavaScript for real-time calculations.
- Created a **portfolio website** showcasing projects and skills.
- Implemented a **password validation system** with security checks.

Workshop Participation
REST API Workshop *(Sasi Institute of Technology & Engineering)*

📅 JAN 2025

- Participated in a six-day workshop on **"Implementation of Backend Project using REST API with Java Stack."**
- Developed a **Student Data Management System** using Java and REST API, enhancing back-end development skills.

SKILLS

Technical

- Programming Languages :   JAVA   Python   C   JavaScript
- Web Development :   MERN   Git & GitHub   Responsive Design   RESTful APIs

Soft Skills

Teamwork   communication   adaptability

CERTIFICATIONS

- **Responsive Web Design: - FreeCodeCamp's**
- Certified in **ReactJS , MongoDB & Express.js Development** from Infosys Springboard.

- Earned **Python Data Structures** and **Java** certifications from NPTEL.
